STAH - Small Towns After Hours Program
A phone service which links Registered Nurses in remote Local Health Districts, where a local GP is temporarily unavailable, to a GP in a larger centre who can provide over the telephone advice.

Rural Primary Health Nurses
Are based across the region to engage with small, local communities and collaborate with Hunter New England Local Health District, government and non government agencies to provide:
- Promotion of healthy communities
- Health education
- Illness prevention
- Building community capacity

Specialist Outreach
The Rural Health Outreach Fund and the Medical Outreach Indigenous Chronic Disease Program are designed to improve access to specialist medical and allied health services in rural and remote areas. Including: Paediatrician, Opthamologist, Rhematologist, Endocrinologist, Diabetes Educator, Podiatrist, Dietitian, Gynaecologist, Neurosurgeon, Psychiatrist, Nephrologist, Dermatologist and Exercise Physiologist.
Visit www.healthwise.org.au/services for more information.

Aboriginal Health Access Programs
Our Aboriginal Health Access Team is committed to improving the health and well being of Aboriginal people and their communities.
Indigenous Primary Health Care - We recognise that to reduce the burden of chronic disease, a much greater effort is needed to deliver prevention programs and comprehensive and well-coordinated primary health care for Aboriginal and Torres Strait Islander people.
Integrated Team Care – formerly known as Close the Cap and Care Coordination and Supplementary Services Programs.
Indigenous Mental Health - improves access to culturally appropriate and safe mental health services.
* Not all programs are available in all areas. For further information speak to your GP or contact HealthWISE directly on (02) 6766 1394.

Aftercare - Suicide Prevention Initiative
Clinical services and care coordination for patients, family and carers following an admission for a suicide attempt. Clients affected by suicide, such as the loss of a family member can also be referred. www.healthwise/aftercare-suicide-prevention-initiative for more information.
Aftercare is available from any GP in NSW.
