

PATIENT ELIGIBILITY

Who is eligible to be referred to providers under PAHS?

- ✓ Health Care Card Holders
- ✓ Pensioners or
- ✓ Patients on a **LOW** income who would not otherwise be able to access a local service

If patient doesn't satisfy one of these criteria, please refer using MBS or a private referral.

Who should NOT be referred to providers under PAHS?

- x Patients who can afford to pay for a private service
- x Patients with Private Health Cover
- x In-patients
- x Workers Compensation or Third Party cases
- x Department of Veterans Affairs patients (DVA)

HOW TO REFER

- All patients must have a PRIORITY ALLIED HEALTH SERVICES referral form (current version) and satisfy the eligibility criteria. Self-referrals can be accepted. Please complete all sections.
- Allied Health Professionals (AHPs) and practice nurses are able to refer patients to appropriate PAHS services. The patient's regular GP must be notified and included in correspondence between AHPs.
- Patients are eligible for only one PRIORITY ALLIED HEALTH SERVICES referral, per Allied Health Service, in a 12-month period, except in extenuating circumstances.
